RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sirs:

In response to the Notification of Defective Response mailed April 17, 2006, Applicants timely submit the following remarks.

The Notification stated that Applicants' papers filed on March 26, 2006, and containing a Combined Declaration and Power of Attorney, did not contain a sequence listing in computer readable form, nor the requisite statements regarding new matter and the identity of the computable readable form to the paper sequence. Applicants assert, however, that these items were submitted on May 2, 2006, in response to the Notification of Missing Requirements dated March 23, 2006. Courtesy copies of the submitted cover letter and remarks are attached (omitting the submitted sequence listing and computer readable copy for economy). Therefore, Applicants respectfully submit that no further action on Applicants' part is necessary in response to the Notification of Defective Response.

For the purpose of clarification, Applicants note that the papers filed on March 26, 2006 were not submitted in Response to the Notification of Missing Parts, since Applicants' were not in receipt of the Notification on that date. It is respectfully submitted that since all outstanding requirements of the Notification of Missing Parts mailed March 23, 2006 were timely complied

with in the fully responsive papers submitted on May 2, 2006, Applicants have not incurred any delays in prosecution under 37 C.F.R. 1.704 that could otherwise have resulted from the mailing of the Notification of Defective Response.

Since all outstanding requirements have been satisfied, Applicants request an examination of the application on the merits. If a telephone conference would be helpful in resolving any remaining issues, please contact Applicants' primary attorney-of record, Garen J. Gotfredson (Reg. No. 44,722), at (612) 336-4623.
